

Prevention is Key

It's a common misconception that if you don't have dental insurance that you can't afford to go to the dentist.
NOT TRUE!

Many people without dental insurance delay regular dental cleanings and exams because they don't know that
PREVENTION
is the key to a healthy mouth and body!

Dental disease is almost entirely preventable!

3 ways you can protect yourself against tooth decay and gum disease:

🦷 A healthy balanced diet

🦷 Good dental homecare

🦷 Regular dental visits
